

PAUL KIRK SILVER BUCKLE SERIES

Most all who have attended an agility trial in
Southern California Are Familiar with Paul, Mary
and their Aussies competing in ASCA and NADAC

Paul is a Founding Father of ASCA Agility

The first trial of the series will be an ASCA Trial October 24/25 2026 at Sunrise Ranch.

The last trial of the "Paul Kirk Buckle Series" will be at Sunrise Ranch June 26/27, 2027

Rules:

1. Open to all breeds.
2. You may not change divisions from the division you are in at the first of your trials. (Veteran stays in Veterans, and Standard stays in Standard, ACE stays in ACE, may not change to ACE Senior)
3. Dogs shall be registered owner handled.
4. Dogs must be handled by the same person throughout the series. The Buckle Series officials (Rainey, Melinda, Lynne) can make an exception for a handler injured during the series year.
5. Scores will be counted from Regular, Gamblers, and Jumpers classes only.
6. You may enter more than one dog in the series.

The Novice Buckle

To earn points toward the Novice buckle, your dog must be entered in Novice Regular

The Open Buckle

To earn points toward the Open Buckle, your dog must be entered in Open Regular.

If your dog earns a Q in Open Regular, Gamblers or Jumpers you may not go back to Novice.

The Elite Buckle

To earn points toward the Elite Buckle, your dog must be entered in Elite Regular

If your dog earns a Q in Elite Regular, Gamblers or Jumpers you may not go back to Open.

The Veteran Buckle

You must enter Veteran division throughout the series.

The ACE Overall Buckle

This includes all ACE levels including ACE Senior. You may not move from ACE to ACE Senior during the series
(We must have at least five dogs entered in ACE/ACE Senior to offer Buckle)

Clarifications

A Q is a Q and equals ten points for all levels. A (five fault = bar down or time) Q in Regular is worth five points.

In the interest of fairness, rules could change. If you enter the series after the first trial.

You will be credited One ten-point Q per Class (not per round, total of thirty-points) in each trial you missed.

You can only earn points in the level/division at which you run.

We hope you will enter the Buckle Series and bring with you Paul's spirit for the game and love of his dogs
